

How do I get involved in this year's Walk for Life?

- Come to the Walk and have fun! The Walk is a family-friendly and completely free event! Join us for games, a bounce house, breakfast and lunch, and lots of prizes!
- Help us collect pledges and donations for the Hannah Center and Hannah House!

How do I collect pledges and donations for the Walk for Life?

- Ask friends and family for donations and pledges for the WFL. You can do this in person, (at church, at work, around your neighborhood), over the phone, and online.
- You can collect pledges online, using paper pledge sheets, or a combination of both! You can create your own fundraising page at HannahCenter.org/Walk. By sharing your fundraising page, your family and friends can make a pledge to you.

How do I track pledges and donations?

- If you collected pledges offline: Track your pledges and donations by filling out your paper pledge sheet, which is on the back of this page. Then, bring your pledge sheet and any collected donations to the Walk! If you need more pledge sheets, follow HannahCenter.org/Walk
- If you collected donations online: simply let us know at the Walk and we will print out a list of your donations.
- If you collected online and offline pledges: just write down your offline pledges and donations on your pledge sheet.

Even if you can't make it to the WFL, you can still collect pledges and donations! Just turn in your pledge sheet or send us the link to your fundraising page before the Walk to be eligible for prizes.

If you have any questions, feel free to reach us at 812.334.0104 or by emailing info@hannahcenter.org

After collecting your pledges and donations, please fill out the portion below and bring this paper to the Walk for Life!

I collected donations online using my fundraising page: Yes No

Total of online donations: _____

Total of cash, checks, and offline pledges: _____

Grand total: _____
